

NewSpring Mezzanine

NewSpring Mezzanine provides flexible capital to entrepreneurs, management teams, and sponsors to help companies take their next crucial step forward.

Flexible Capital Solutions. *Lower-Middle Market Creativity.*

NewSpring Mezzanine tailors capital solutions to the unique needs of each individual business, taking into account the dynamics of the transaction and the goals of the company's leaders.

Backed by the scale and depth of the NewSpring platform, we surround our management teams and portfolio companies with the resources and expertise needed to achieve long-term success.

Invested In Our Partnerships

- 20+ years experience backing self-sustaining businesses through growth and transition, with a consistent track record of helping companies reach the next stage
- Access to scaled processes, advanced technologies, and institutional-grade back-office infrastructure—freeing the investment team to focus on driving value
- We collaborate closely with CEOs to anticipate challenges and navigate complex financial decisions before they arise
- Our dedicated operational resources help identify and execute high-impact initiatives across the portfolio, from growth planning to margin expansion

Investment Team

Large, experienced team of operators and investors with a shared focus: helping companies grow smarter, stronger, and faster.
